

15 MEDIA INTERNSHIP PAID PROGRAMS: APPLY NOW FOR SUMMER

Opportunities for all communication disciplines including programming, editorial, social media, public relations, human resources, events and promotions, corporate social responsibility, sales, marketing, talent relations, digital content, production and more. There are internships across media brands which include programming on network, cable, digital platforms and local affiliates too. You may need to do some digging to find positions beyond the holding company sites at various stations, networks and brands. Make sure you get your resume in order before applying as these internships are highly competitive. Most deadlines to apply are February/March for summer 2021. [CLICK HERE FOR DETAILS](#)

VOLUNTEER TO BUILD YOUR CAREER AND BENEFIT SOCIETY

Volunteering is good for your community, society and your soul. It also is a way to continue to build professional skills and resume friendly experience, while doing good. Following is a step by step guide to identifying and securing a meaningful volunteer position. Carefully select an organization based on your interests and capabilities.

As you volunteer be sure to continue with the job hunt, save portfolio friendly work and maintain a positive and confident outlook. By showcasing your value and contributing to an organization's success, you will gain experience, make valuable contacts and may even parlay your volunteer position into a paid fulltime spot! If your goals was to secure meaningful full-time employment, be sure to "pay" it forward and continue to volunteer your time and expertise to your favorite charity organization.

SPRING 2021 INTERNSHIPS REBOUND AFTER FALL COVID HIATUS

The Covid-19 Pandemic caused cancellations of many major internship programs in 2020. The Department of Communication worked closely with our various internships sites to identify strategies for remote and hybrid internship opportunities. Recruitment for summer is bouncing back to normal pre-Covid levels with adjustments including fully-virtual internships. Students showed resilience and initiative in securing meaningful opportunities for this semester. Students are entering at public relations firms, entertainment and music companies, non-profits, production companies, and even NASA.
