TEN TIPS TO FIND AN INTERNSHIP

Spamming career web sites and job listings is an ineffective way to find a great job or internship. Instead, utilize the this simple strategies and your own initiative and you will make valuable contacts who may help you land your dream career.

1. Don't wait for a public job listing or advertisement! Determine where you want to work and identify the person for whom you'd love to work. Check the company's blog, explore the press/media room, follow the company and key professionals on Twitter, Instagram, etc. Google the company, research them on LinkedIn.
